Thereafter the WG met in the Sub-Groups, until its second plenary meeting held on 28 April 1992. The WG held its last meeting on 5 May 1992.

During this period an elected Steering Committee of 9 members of the WG met on a regular basis to assess and guide the work of the Sub-Groups.

3.2.4 Dr Antonie Gildenhuys chairperson of the National Peace Secretariat of the NPA.

3.3 Matters discussed, agreed on and outstanding are dealt with below according to the specific Terms of Reference.

4 (a) The finalisation of matters relating to political prisoners and political trials.

4.1 The matter was extensively discussed by Sub-Group 1 on 11 February 1992.

4.2 It was agreed that the release of political prisoners is a priority in the completion of the reconciliation process.

4.3 It was agreed that, in view of the existing bilateral agreements between the SA Government and the ANC, the said parties should pursue their bilateral talks relating to political prisoners and the return of exiles and report to the SG on progress made.

4.4 At subsequent meetings of the SG the SA Government and the ANC reported that discussions between them as envisaged in paragraph 4.4 were continuing satisfactorily and that a report will in due course be made to WG1. To date no such report has been received by WG1.

4.5 It was further agreed that, with the exception of the reports on the bilateral meetings between the SA Government and the ANC, any further discussions on the issue of political prisoners will be conditional on submissions being received on the current existence and detention of political prisoners.

5 (b) The return of exiles and their families

This matter was briefly discussed in SG1 and referred to bilateral discussions between the SA Government and the ANC [refer paragraph 4.4 above].

6 (c) The amendment and/or repeal of any remaining laws militating against free political activity, including the elimination of all discriminatory legislation.

6.1 Laws militating against free political activity.

6.1.1 Approach

It was agreed that the approach to the issue of laws militating against free political activity should be the following:

6.1.1.1 Firstly, there needs to be acceptance of the principle of free political activity.

6.1.1.2 Secondly, there needs to be agreement on the definition of general principles underpinning/guidelines for free political activity.

6.1.1.3 Thirdly, attention must be given to specific pieces of legislation.

6.1.2 General principle

Regarding 6.1.1.1 it was agreed that:

6.1.2.1 a climate for free political participation is an essential element of the transitional phase towards and in a democratic South Africa; and

6.1.2.2 the process of democracy requires that all participants in the political process should be free to participate peacefully in that process without fear and on an equal footing and on the basis of equality with other participants.

6.1.2.3 The South African Government and the NP expressed their reservations on paragraph 6.1.2.2 reserving their point of view until a full resolution dealing with principles governing free political activity was debated.

6.1.3 Definition of/general principles underpinning/guidelines for free political activity

6.1.3.1 There was agreement on the necessity to formulate a definition of, or the principles underpinning, free political activity.

6.1.3.2 Various oral and written submissions on the content of such definition/principles were made and a motion tabled.

6.1.3.3 No consensus has yet been reached on a definition of/general principles underpinning free political activity.

6.1.4 Specific measures

Regarding 6.1.1.3 various oral and written submissions were received about legislative measures which may offend against free political activity. The submissions dealt with the following broad categories of legislation:

6.1.4.1 Emergency measures;

6.1.4.2 Security measures;

6.1.4.3 Measures affecting the funding of political Parties and organisations;

6.1.4.4 Measures affecting the freedom of assembly and association;

6.1.4.5 Measures affecting the free flow of information and access to the media.

6.1.5 Task group

A task group was appointed to inquire into the reform of Emergency and Security legislation. The task group met several times and made appropriate recommendations.

6.1.6 Emergency Legislation

6.1.6.1 It was agreed that:

6.1.6.1.1 A State of Emergency should only be declared on the advice of a multi-party interim executive/cabinet/interim government council. This would only take effect once such a body has been instituted;

6.1.6.1.2 The proclamation of a State of Emergency or an unrest area and any regulations issued in terms thereof should be objectively justiciable in a court of law on, inter alia, the following grounds:

6.1.6.1.2.1 whether the factual situation existing at the time justifies the declaration of the State of Emergency or unrest area in terms of criteria laid down in the Public Safety Act, 1953;

6.1.6.1.2.2 whether the exigencies of the situation justify the powers conferred by regulations made in terms of the proclamation of the State of Emergency or unrest area;

6.1.6.1.3 The provision in the Public Safety Act, 1953, that a State of Emergency can be declared retrospectively, should be repealed.

6.1.6.1.4 It is desirable to include in the Public Safety Act, 1953:

6.1.6.1.4.1 Extended provisions for Parliamentary control of a State of Emergency;

6.1.6.1.4.2 A provision for certain non-derogable rights;

6.1.6.1.4.3 Provisions for certain procedural controls over detention without trial.

6.1.6.2 It is recommended that the timing of the implementation of the various agreed proposals be negotiated as a matter of urgency amongst the parties.

6.1.7 Security Legislation

It was agreed that:

- 6.1.7.1 Special measures are necessary to deal with the threat to the public peace and order during the transitional period;
- 6.1.7.2 In the light of 6.1.7.1, the Internal Security Act 1982, and other relevant legislation be scrutinised with a view to the substitution of the said provisions so as to bring legislation in line with the criteria mentioned in 6.1.7.1., and to remove the emphasis from national security
- 6.1.7.3 A task group be appointed to undertake the task referred to in 6.1.7.2, taking cognisance of relevant discussions by and submissions to SG1.

6.1.8 Procedure

Regarding the procedure to be followed in the repeal and/or amendment of legislative measures militating against free political activity, it was agreed that the following three options (not necessarily exhaustive or mutually exclusive) should be examined:

- 6.1.8.1 separate pieces of legislation amending/repealing individual statutes and/or the use of a General Law Amendment Act;
- 6.1.8.2 amendment/repeal of offending legislation combined with the enactment of a interim statute dealing with freedom of association, assembly and speech against which any outstanding offending measures may be tested.
- 6.1.8.3 the enactment of an Interim Bill of Rights against which offending legislation can be tested;

6.2 Discriminatory Legislation

6.2.1 It was agreed that the following categories of discriminatory legislation can be identified and that individual legislative measures within each category should be dealt with in the manner outlined as being appropriate for that category:

- 6.2.1.1 Discriminatory legislation which impedes the creation of a climate for free political activity. Such legislation must be identified by WGI and amended/repealed as soon as possible.
- 6.2.1.2 Discriminatory legislation which emanates from the nature of the tricameral constitution. This should be dealt with at the time and in the manner decided on by negotiation on the phasing out of the tricameral constitution and the own affairs dispensation.
- 6.2.1.3 Discriminatory legislation which need to be amended/repealed to support and enhance the process of democratisation. These should be identified as soon as possible and suitably amended/repealed.
- 6.2.1.4 Discriminatory legislation which needs to be removed in the interests of society. These should be dealt with at the relevant stage of the democratisation process.
- 6.2.1.5 Discriminatory legislation which would infringe upon an agreed Bill of Rights. These should be dealt with through the procedures that stand to be created in a new constitution which will include a justiciable Bill of Rights.

6.2.2 The WG received proposals on discriminatory legislation which falls in the above categories and which should be amended and/or repealed. The discussions on these

proposal are incomplete and it was agreed that the task group constituted in terms of para 6.1.7.3 above, or any other mechanism set up by Codesa, discuss the proposals regarding discriminatory legislation which falls within categories 6.2.1.1 and 6.2.1.3 above with a view to making appropriate recommendations. Such task group or appointed body should report to Codesa or any other appropriate executive body that may be set up by Codesa.

- 7 **(d) Political Intimidation "Any action or set of actions committed by an individual, organisation, political party, government represented at CODESA, as well as the self governing territories or any agency of such government or self governing territory, that is designed by the use or the threat of use of force or violence to disrupt or interfere with the legal rights of an individual, for instance; the Right to freedom of expression or opinion; the Right of freedom of association; the Right of freedom of movement.**

- 7.2.1 the right to freedom of expression or opinion;
- 7.2.2 the right of freedom of association;
- 7.2.3 the right of freedom of movement.

7.3 In particular, the following shall be considered forms of political intimidation:

- 7.3.2 to remove, disfigure, destroy, plagiarise or otherwise misrepresent any symbol or other material of any other political party or organisation;
- 7.3.3 to interfere with, obstruct or threaten any other person or group travelling to or from or intending to attend, any gathering for political purposes;

This matter was not discussed separately, but dealt with within the broader context of the subject matter discussed in SG2.

9.1.7 Accountability and Finance

9.1.7.1 It was agreed that the Independent Body shall be accountable to the executive of the interim constitutional authority, provided that once a representative Parliament comes into being such a body shall be accountable to Parliament or one of its standing committees; further provided that the independence of such a body shall not be impinged upon in any way whatsoever.

It was agreed that the above matters should devolve upon the Independent Body.

9.1.9 SABC

There was no consensus on a proposal regarding the immediate reconstitution of the Board of the SABC.

9.1.9.1 The Steering Committee of WG1 will initiate discussions with the chairperson of the Board of the SABC, and such representatives as he may determine, on the possible early reconstitution of the Board of the SABC, the appropriate ministry to be included in such discussions;

9.1.9.2 The first such meeting to take place before Codesa II;

10 (g) **The Successful implementation of the National Peace Accord**

In the light of the current levels of violence that is devastating the prospects of peace and stability in our country, all political parties, organisations, government and administrations, participating in CODESA, in order to signify our common purpose to bring an end to political violence, recommit ourselves both in letter and spirit to the NPA.

Signed: 14 September 1991.

In doing so, we once again join hands in the pursuit of our common belief and objectives; peace and stability for all in our country.

In rallying behind this common objective we acknowledge that the act of having signed the NPA binds us much more than the content of the NPA itself. From that we can, none of us, escape since we have committed ourselves to the NPA and in this way, we have given it life and meaning.

SG2 received several submissions on the implementation of the NPA. In addition, Dr Antonie Gildenhuys, chairperson of the National Peace Secretariat, and Mr John Hall, chairperson of the NPC, were invited to hold discussions with SG2 on the implementation of the NPA. In order to strengthen the NPA, the following matters were agreed to:

10.1 General

It was agreed that:

10.1.1 In so far as the promotion of peace is concerned, the leadership of organisations is urged urgently to come together at peace rallies and meetings and to be seen by all to be jointly and collectively working towards peace and stability in our country. These peace rallies and meetings should be held under the auspices of the NPS and should augment the efforts of religious leaders in this regard.

10.1.2 The successful implementation of the NPA is fundamental to the creation of a climate for free political activity, peace and stability in our country. In this regard, it is strongly recommended to the signatories of the NPA to take active steps to ensure that they appoint senior office bearer(s) whose specific responsibility it will be to manage the organisation/party's duties in regard to the NPA. It is further recommended that, where possible, such persons be relieved of all other organisational/party obligations to facilitate the above.

10.2 RDRC's and LDRC's (Clause 7.4 of the NPA)

It was agreed that:

10.2.1 A full time Chairperson/officer/employee/s be appointed by consensus by each RDRC on the understanding that at least one such functionary will be appointed and that the said functionary will be remunerated for his/her services by the NPA;

10.2.3 Organisations participating in the NPA activities be requested not to vary the appointment of delegates to RDRC's and LDRC's as this seriously inhibits the progress of the work of the NPA;

10.2.4 Permanent offices with appropriate staff and equipment be established in each area provided for in clause 3.7.5 of the NPA;

It was agreed that:

10.4.1 All police reporting officers already nominated be appointed to their positions forthwith.

10.7.1.1 should advise on ways in which the procedures of the special units

appointed in terms of 3.2.4.1 can be given public credibility;

10.7.1.2 should advise on ways in which the credibility of the police in the community could be improved;

10.7.2 It was further agreed that the reports by the special police investigative units appointed i.t.o. clause 3.2.2.6 which are made available to the NPC, be distributed to the relevant RDRC's and LDRC's as a matter of standard procedure.

10.8 Relations between the community and the police

10.8.1 It was agreed that in many areas improvement of the relationship between the community and the police can contribute towards the resolution of conflict and that all factors that create alienation between the police and communities be addressed urgently by means of, inter alia:

10.8.1.1 Facilitating police/community liaison, including workshops between relevant parties;

10.8.1.2 Ensuring strict adherence by all parties to the provisions of the NPA.

10.9 Recommendations by RDRC's to the police

In relation to the SAP, the Venda Police Force, the Kangwane Police Force, the Gazankulu Police Force, the Kwandebele Police Force and the Lebowa Police Force, it was agreed that the RDRCs could make recommendations to the relevant police authorities as to:

10.10 Self protection units/neighbourhood watch groups (clause 3.7 of the NPA)

It was agreed that:

10.10.1 It be recommended to the NPC that RDRC/LDRC's take urgent steps to encourage the formation of nonpartisan community based self protection groups/neighbourhood watch groups, as provided for in clause 3.7 of the NPA, in order to promote peace and the effective combatting of crime. These self protection units/neighbourhood watch groups should work in close cooperation with the relevant police authorities, as provided for in clause 3.7.5. of the NPA.

10.10.2 It be recommended to the RDRC's/LDRC's to take steps to monitor the activities of such

formations and to encourage cooperation between such formations and the relevant police authorities.

10.13.2 These monitoring commissions be constituted from amongst the parties and organisations represented on these RDRC's and/or drawn from independent, local monitoring agencies or persons.

10.13.3 Persons serving on these monitoring commissions be given the necessary training and certification to enable them to efficiently perform their functions in an impartial and objective manner.

1. RECOMMENDATIONS AND ADVICE ON THE GENDER IMPLICATIONS OF ISSUES RAISED IN WORKING GROUP 01

1.1 The Free Political Participation of Women

Noting the Terms of Reference of Working Group 01, Items 1.1.4 (k), (p) and (o), the GAC recommends the following:

- 1.1.1 The rights of access of women to public facilities and meeting venues should be ensured, as should their right to meet with political organisations. This recommendation is necessary so that women can participate without fear and on an equal footing in the political process.
- 1.1.2 The right of access of political organisations to public facilities, and their right to meet with potential voters, is meaningless unless women may participate in the democratic process on an equal footing without fear of public or private harassment and intimidation.
- 1.1.3 That the roles mentioned here (Item 1.1.4 (o) of the Terms of Reference of Working Group 1) concerning educative and informative campaigns should be broadened to include specific educational campaigns informing women of, inter alia, their right to vote, particularly in areas where women are unlikely to be reached by usual media.

1.2 Agreements on Political Intimidation and Women

With regard to the agreement reached by sub group 2 of Working Group 1 on the Definition of Political Intimidation, the GAC recommends that the following additions be made to the activities which would, as per the aforesaid agreement, be considered, in particular, as forms of political intimidation (refer to Item 4.2 of the Minutes of the meeting of Sub-Group 2 of Working Group 1, 2 March):

- 1.2.1 To compel women, both within and outside the home, by virtue of the "power" vested in men with whom they may associate, to adopt a particular political position; or to similarly prevent women from engaging in free political activity.
- 1.2.2 To use political patronage in any form that threatens or denies an individuals political, social and economic rights, especially noting that women are frequently the victims of such practices.

- 1.2.3 To sexually harass any individual and thereby prevent him/her from the freedom of the right of expression/opinion, association and movement.

With regards to item 1.3.3 above the GAC defines sexual harassment, in general terms, as sexual advances without express consent, including innuendos or language of a defamatory or offensive nature, in all spheres, including political, social and economic life and in the media.

1.3 Agreements of the Interpretation of the National Peace Accord

With regards to agreements reached by Sub-Group 2 of Working Group 1 re the implementation and interpretation of the National Peace Accord, the GAC recommends that the following additions be made (refer to Item 6.1.6 and Item 6.4.1, respectively, of the minutes of Sub-Group 2 of Working Group 1, on 7 April):

- 1.3.1 That the reference to "Business representatives" in clause 7.4.4.3 of the NPA be interpreted to include representatives from professional and women's organisations.
- 1.3.2 The NPA make special efforts to include representatives of relevant local and tribal authorities as well as local women's structures into all RDRC and LDRC structures.
- 1.3.3 With regards to item 1.4.2 above (and with specific reference to items 6.1.6, 6.3.2, 6.4.2, 6.5.2, 6.6.2, 6.6.3 and 6.8 of the minutes of the meeting of WG1 SG2, 7 April) the GAC recommends that as part of its input on the interpretation and implementation of the NPA Working Group 1 recommend that women be included in all structures created by the NPA, RDRC's and LDRC's to ensure that gender implications of all decisions and functions of these structures, are considered.

1.4 On the Security Forces, Free Political Activity and Women

Noting that the many acts of violence committed against women allegedly by the security forces are a source of grave concern, the GAC recommends that:

- 1.4.1 any such crime be immediately investigated;
- 1.4.2 violent crime against women be treated with stricter and more stringent disciplinary action;
- 1.4.3 when searches of homes are conducted, women police must accompany male police;
- 1.4.4 the position of high ranking officers who are unable or unwilling to maintain adequate control over their forces be urgently reviewed;
- 1.4.5 any peace keeping force should include women within their structures at all levels;
- 1.4.6 the gender sensitivity of these forces (refer to item 1.5.5) be monitored;
- 1.4.7 all individuals be informed of their rights with regard to the role and functions of these forces (refer to item 1.5.5);
- 1.4.8 these forces (refer to item 1.5.5) be trained to be gender sensitive and to ensure that they do not violate the rights of women.

Noting the lack of agreement in Working Group 1 over the definition of political prisoners, no recommendations with regards to the gender implications of this issue could be agreed upon.

The GAC also recommends that any Security Force established in the country, including the TBVC states, must begin to immediately redress race and gender imbalances both in their composition and functioning at all levels and introduce a Code of Conduct and norms which will create confidence among all the people of South Africa.

1.5 Working Group 01 Terms of Reference

The GAC proposes that Item 1.1.4 (c) of the Terms of Reference of Working Group 01 should be amended to read as follows:

"The amendment and/or repeal of any remaining laws militating against free political activity including the elimination of racial and gender discriminatory laws."

1.6 The Media in the Transition (Recommendation to Working Groups 01 & 03)

The GAC recommends that Working Group 1 and Working Group 3 agree upon a politically neutral Independent Communications Authority which shall:

- * include gender conscious persons;
- * facilitate media access for women;
- * monitor and discourage sexist programmes, articles and advertising;
- * encourage non-sexist, non-discriminatory publications;
- * ensure the participation of women on all media bodies, at all levels;
- * organise that radio and television programmes which educate women about the democratic process and their right to participate therein without fear of intimidation, are prepared as a matter of urgency
