Military-technical agreement between the international security
force (KFOR) and the Governments of the Federal Republic of
Yugoslavia and the Republic of Serbia

Article I

General obligations

1. The Parties to this agreement reaffirm the document presented by President Ahtisaari to President Milosevic and approved by the Serb Parliament and the Federal Government on 3 June 1999, to include deployment in Kosovo under United Nations auspices of effective international civil and security presences. The Parties further note that the United Nations Security Council is prepared to adopt a resolution, which has been introduced, regarding these presences.

2. The State governmental authorities of the Federal Republic of Yugoslavia and the Republic of Serbia understand and agree that the international security force (KFOR) will deploy following the adoption of the Security Council resolution referred to in paragraph 1 and operate without hindrance within Kosovo and with the authority to take all necessary action to establish and maintain a secure environment for all citizens of Kosovo and otherwise carry out its mission. They further agree to comply with all of the obligations of this agreement and to facilitate the deployment and operation of this force.

3. For purposes of the agreement, the following expressions shall have the meanings as described below:

(a) "The Parties" are those signatories to the agreement;

(b) "Authorities" means the appropriate responsible individual, agency or organization of the Parties;

(c) "Federal Republic of Yugoslavia forces" includes all of the Federal Republic of Yugoslavia and Republic of Serbia personnel and organizations with a military capability. This includes regular army and naval forces, armed civilian groups, associated paramilitary groups, air forces, national guards, border police, army reserves, military police, intelligence services, federal and Serbian Ministry of Internal Affairs local, special, riot and anti-terrorist police, and any other groups or individuals so designated by the international security force (KFOR) commander;

(d) The air safety zone (ASZ) is defined as a 25-kilometre zone that extends beyond the Kosovo province border into the rest of Federal Republic of Yugoslavia territory. It includes the airspace above the 25-kilometre zone;

(e) The ground safety zone (GSZ) is defined as a 5-kilometre zone that extends beyond the Kosovo province border into the rest of Federal Republic of Yugoslavia territory. It includes the terrain within that 5-kilometre zone;

/...

(f) Entry-into-force day (EIF) is defined as the day this agreement is signed.

4. The purposes of these obligations are as follows:

(a) To establish a durable cessation of hostilities, under no circumstances shall any forces of the Federal Republic of Yugoslavia and the Republic of Serbia enter into, re-enter, or remain within the territory of Kosovo or the ground safety zone and the air safety zone described in article I, paragraph 3, without the prior express consent of the international security force (KFOR) commander. Local police will be allowed to remain in the GSZ.

The above paragraph is without prejudice to the agreed return of Federal Republic of Yugoslavia and Serbian personnel, which will be the subject of a subsequent separate agreement as provided for in paragraph 6 of the document mentioned in paragraph 1 of this article;

(b) To provide for the support and authorization of the international security force (KFOR) and in particular to authorize the international security force (KFOR) to take such actions as are required, including the use of necessary force, to ensure compliance with this agreement and protection of the international security force (KFOR), and to contribute to a secure environment for the international civil implementation presence and other international organizations, agencies and non-governmental organizations (details in appendix B).

Article II

Cessation of hostilities

1. The Federal Republic of Yugoslavia forces shall immediately, upon entry into force of this agreement, refrain from committing any hostile or provocative acts of any type against any person in Kosovo and will order armed forces to cease all such activities. They shall not encourage, organize or support hostile or provocative demonstrations.

2. Phased withdrawal of Federal Republic of Yugoslavia forces (ground). The Federal Republic of Yugoslavia agrees to a phased withdrawal of all Federal Republic of Yugoslavia forces from Kosovo to locations in Serbia outside Kosovo. Federal Republic of Yugoslavia forces will mark and clear minefields, booby traps and obstacles. As they withdraw, Federal Republic of Yugoslavia forces will clear all lines of communication by removing all mines, demolitions, booby traps, obstacles and charges. They will also mark all sides of all minefields. The entry and deployment of the international security force (KFOR) into Kosovo will be synchronized. The phased withdrawal of Federal Republic of Yugoslavia forces from Kosovo will be in accordance with the sequence outlined below:

(a) By EIF + 1 day, the Federal Republic of Yugoslavia forces located in zone 3 will have vacated, via designated routes, that zone to demonstrate compliance (depicted on the map in appendix A to this agreement). Once it is verified that Federal Republic of Yugoslavia forces have complied with this

subparagraph and with paragraph 1 of this article, NATO air strikes will be suspended. The suspension will continue provided that the obligations of this agreement are fully complied with and provided that the Security Council adopts a resolution concerning the deployment of the international security force (KFOR) so rapidly that a security gap can be avoided;

(b) By EIF + 6 days, all Federal Republic of Yugoslavia forces in Kosovo will have vacated zone 1 (depicted on the map in appendix A to this agreement). Establish liaison teams with the KFOR commander in Pristina;

(c) By EIF + 9 days, all Federal Republic of Yugoslavia forces in Kosovo will have vacated zone 2 (depicted on the map in appendix A to this agreement);

(d) By EIF + 11 days, all Federal Republic of Yugoslavia forces in Kosovo will have vacated zone 3 (depicted on the map in appendix A to this agreement);

(e) By EIF + 11 days, all Federal Republic of Yugoslavia forces in Kosovo will have completed their withdrawal from Kosovo (depicted on the map in appendix A to this agreement) to locations in Serbia outside Kosovo, and not within the 5-kilometre GSZ. At the end of the sequence (EIF+11), the senior Federal Republic of Yugoslavia force commanders responsible for the withdrawing forces shall confirm in writing to the international security force (KFOR) commander that the Federal Republic of Yugoslavia forces have complied and completed the phased withdrawal. The international security force (KFOR) commander may approve specific requests for exceptions to the phased withdrawal. The bombing campaign will terminate on complete withdrawal of Federal Republic of Yugoslavia forces as provided under article II. The international security force (KFOR) shall retain, as necessary, authority to enforce compliance with this agreement;

(f) The authorities of the Federal Republic of Yugoslavia and the Republic of Serbia will cooperate fully with the international security force (KFOR) in its verification of the withdrawal of forces from Kosovo and beyond the ASZ/GSZ;

(g) Federal Republic of Yugoslavia armed forces withdrawing in accordance with appendix A, i.e., in designated assembly areas or withdrawing on designated routes, will not be subject to air attack;

(h) The international security force (KFOR) will provide appropriate control of the borders of the Federal Republic of Yugoslavia in Kosovo with Albania and the Former Yugoslav Republic of Macedonia* until the arrival of the civilian mission of the United Nations.

3. Phased withdrawal of Yugoslav air and air defence forces:

(a) At EIF + 1 day, no Federal Republic of Yugoslavia aircraft, fixed wing or rotary, will fly in Kosovo airspace or over the ASZ without prior approval by the international security force (KFOR) commander. acquisition, target-tracking or otherwise illuminating international security force (KFOR) air platforms operating in the Kosovo airspace or over the ASZ;

(b) By EIF + 3 days, all aircraft, radars, surface-to-air missiles (including man-portable air defence systems) and anti-aircraft artillery in Kosovo will withdraw to other locations in Serbia outside the 25-kilometre ASZ;

(c) The international security force (KFOR) commander will control and coordinate use of airspace over Kosovo and the ASZ commencing at EIF. Violation of any of the provisions above, including the international security force (KFOR) commander's rules and procedures governing the airspace over Kosovo, as well as unauthorized flight or activation of Federal Republic of Yugoslavia integrated air defence within the ASZ, are subject to military action by the international security force (KFOR), including the use of necessary force. The international security force (KFOR) commander may delegate control of normal civilian air activities to appropriate Federal Republic of Yugoslavia institutions to monitor operations, deconflict international security force (KFOR) air traffic movements and ensure smooth and safe operations of the air traffic system. It is envisioned that control of civil air traffic will be returned to civilian authorities as soon as practicable.

Article III

1. This agreement and written orders requiring compliance will be immediately communicated to all Federal Republic of Yugoslavia forces.

2. By EIF + 2 days, the State governmental authorities of the Federal Republic of Yugoslavia and the Republic of Serbia shall furnish the following specific information regarding the status of all Federal Republic of Yugoslavia forces:
